## Information on your benefit invoice

### 1. Invoice of benefits

Here you will find your insurance number, the billing number and our contact details.

### 2. We have paid for you

The service provider providing treatment (e.g. hospital, pharmacy, doctor) has invoiced you directly for the costs of your treatment. You have sent us your receipt for a possible reimbursement.

You can find further information on our website under

*Private persons > Medical treatment in Switzerland > Cost sharing*

#### 2.1. Details of the service provider and treatment

Here you can see which service provider has charged your treatment costs.

You will also find the period of treatment and further details on the service provided.

#### 2.2. Not insured

These are benefits that are not covered by compulsory health insurance (OKP). You must pay the non-insured amount yourself.

#### 2.3. Your credit balance

We have checked your reclaim receipt and will issue a refund. Here you will find your credit balance, which we will transfer to your account.
